

3-Year Ceramic Coating Warranty

This warranty applies to the ceramic coating services provided by **The Detail Guys PSL LLC**.

Coverage Term

All automotive ceramic coatings offered by our company are rated for an estimated lifespan of **three (3) to five (5) years**. Actual coating longevity may vary and cannot be guaranteed, as performance is influenced by factors including environmental exposure, driving conditions, usage patterns, and maintenance practices.

Accordingly, we provide a **three (3) year warranty** from the original service date on all ceramic coatings, provided that all warranty terms, conditions, and maintenance requirements are fully met.

What This Warranty Covers

- Retention of hydrophobic (water-beading) properties
- *Reapplication to any exterior surface damaged by accidents or road debris

- Schedule **maintenance and/or decontamination services** with **The Detail Guys PSL LLC** or an approved professional

- Application of waxes, sealants, or coatings not approved by The Detail Guys PSL LLC
- Neglect, abuse, or failure to maintain the vehicle
- Any chemical or industrial damage, including but not limited to body shop chemicals or overspray

Limitations

This warranty is **non-transferable** and applies only to the original vehicle owner. Warranty remedies are limited to **inspection, repair, or reapplication of the ceramic coating**, at the discretion of The Detail Guys PSL LLC.

*No refunds for paint damage will be given. If damage occurs as the direct result of a **documented vehicle accident** and the repair is **paid for by an insurance provider**, the ceramic coating warranty will remain valid and the ceramic coating will be reapplied **only to repaired panels**. Any warranty consideration under this clause requires:

- Proof of an insurance-approved accident claim
- Documentation of all repairs performed
- Inspection and approval by **The Detail Guys PSL LLC** after repairs are completed
